Since the Hanford Area is most representative of weather and road conditions in our City, we use the following guidelines to make decisions regarding weather-related City closures.

- Benton City **follows Hanford's** announcement regarding delays or closures.
- If Hanford runs **"two hours late"**, City Hall will open at 9:30am.
- If Hanford announces a **"mid-day weather closure"** after the workday has begun for the day, the City will follow Hanford's announcement.
