Nextdoor

The City of Benton City is working on a new way to communicate with its citizens. The City is joining Nextdoor, a free app to connect neighbors. We encourage our citizens to join this platform to receive important updates from the City as well as crime and safety information from the Benton County Sheriff's department.

Although the City is still developing their partnership with Nextdoor, citizens can sign up and communicate with their neighbors right now, including recommendations about local services, organize neighborhood events, report suspicious activities, and connect with parents, pet owners, and other groups in your neighborhood.

You can join your Nextdoor neighborhood at nextdoor.com.
